**42nd Annual conference of the
European Prosthodontic Association
September 13 - 15, 2018
Madrid, Spain**

Madrid is a lively cosmopolitan and friendly city where everyone feels at home. A place for business and new trends, the capital of Spain offers a safe, comfortable setting where taking time out and doing business are equally enjoyable. Its rich artistic and natural heritage, cutting-edge transport network, quality accommodation, fine cuisine and the passion locals show when enjoying their city's day and night life make it one of the most attractive cities in the world.

ISSUE 9, AUGUST 2018

International travel to Madrid, Spain

The international airport is "Adolfo Suarez Madrid-Barajas" in Madrid, located on the northeast of Madrid, Barajas district, only 12 kms from the Madrid city centre. Metro Line 8 (Nuevos Ministerios-Airport T4) connects the capital with Adolfo Suárez Madrid-Barajas Airport. For more details on travel within Madrid and to and from Madrid airport and the city, please refer to the conference website -http://www.epa2018.sepes.org/w_eng_informacion.php.

Invitation by the EPA President Prof. Guillermo Pradies

Dear Colleagues,

It is our pleasure to invite you to Madrid to join us at the 42nd European Prosthodontics Association (EPA) Congress.

You, together with an important number of Key Opinion Leaders from all over the world will have the opportunity to enjoy the amazing city of Madrid in a magical digital prosthodontics environment in which we will, step by step, build our destiny as Digital Natives in Prosthodontics.

With the valuable help of the industry supporting an important number of workshops, Keynote presentations organized by the scientific committee, and the oral presentations and posters sessions, you will have the opportunity to radically improve your knowledge on how the full digital workflow works.

In this congress we will also show you the point of view of the Dental Technicians working hand in hand with the Dentists.

Whether you are a student, a rookie or an experienced private clinician, a postgraduate student or a University Professor coming from any corner of the world, you will definitely feel and think more digital after this congress.

Madrid, EPA and SEPES are waiting for you within the unrivalled facilities at the University Complutense of Madrid Campus, right in the heart of the city.

Save the date! We will be waiting to welcome you.

Prof. Guillermo Pradíes

EPA President 2018

Ciudad Universitaria (Line 6)*

Nearest train stations: Nuevos Ministerios y Príncipe Pío

MEMORIES OF BUCHAREST

Editor's note

Dear all,

With the memories of the Bucharest conference a distant haze, we look to the autumn of 2018 to usher in the next conference held under the presidency of Prof Guillermo Pradies to be held in Madrid, Spain. Prof Pradies and his team welcomes you all to Madrid where he wishes to build your destiny as digital natives in Prosthodontics.

Madrid, the city that never sleeps is a testament to a tapas-and-nightlife culture to rival no other! With the maximum day temperature in September to the mid 20s and with the minimum in the mid teens, Madrid offers a beautiful climate to host the 42nd annual EPA conference.

One cannot forget the wonderful hospitality of Bucharest, which still lingers!! Prof Norina Forna and her team strived to be such hospitable and gracious hosts with the resulting conference a treat to the senses. With their conference, Prof Forna and her team have set a new bar to emulate in terms of warmth, hospitality and cordiality.

Looking forward to seeing you all in Madrid in September 2018!!

Suresh Nayar
Hon. Web Editor, EPA
